Donald Hampton
NexGen Consultants

Dear Donald:

I wanted to touch base and thank you for a job well done on our recent Salesforce implementation. Kristen Crane and Josh Geiger worked with our team to get us up and running. They were able to migrate our data from Investigo and customize the application to fit our needs. In addition, the training they provided helped make the transition very smooth. They took time to understand the project and completed it in a timely manner and were very responsive to questions.

NexGen's understanding of the LPL environment was key to the success of our project. It was a pleasure working with you and I would readily recommend NexGen to other LPL Advisors who are implementing Salesforce.

Sincerely,

Louis J. Butera, CFP
