Dear Donald:

It is with upmost confidence that I send this letter of recommendation for NexGen Consultants. NexGen worked with Credit Union Financial Network to configure the LPL Salesforce solution to fit the needs of Vantage West Credit Union. The project entailed cleaning up existing Goldmine data, working with the Goldmine history and then migrating all of that data into the LPL Salesforce environment. Next, leads and email addresses were incorporated as were BranchNet Clients.

NexGen had a full and capable understanding of the LPL Salesforce product. Kristen Crane and Justin Davis both deserve mention for the work accomplished. I am happy to recommend NexGen as a partner for LPL Salesforce configuration.

Sincerely,

Sara L. Baker
