

March 19, 2012

Dear Matt,

We recently finished a project with NexGen Consultants, and I wanted to let you know how happy I was with your organization. We had a list of things we wanted to accomplish, including moving from our Enterprise version of Salesforce to the Wealth Management Edition. Randy and Sheryl helped us to effectively meet our goals and were very responsive to our needs.

Thank you again for your help. We look forward to working with you again!

Sincerely,

Adam Orlov
Holos Asset Management
