Dear Donald:

We have recently completed a migration from Pareto CRM to Salesforce.com LPL Edition. I wanted to take a moment to let you know that Josh and Kristen from the delivery team were a pleasure to work with on this project. They were very responsive with answers to our questions and their comprehensive understanding Salesforce.com allowed for a smooth transition for our team.

We would recommend NexGen Consultants Inc. to any company considering moving to Salesforce.com. The training provided by NexGen Consultants is one aspect that I found to be most helpful. The training class allowed our entire team to easily understand the system and adopt utilizing Salesforce.com from day 1.

The effort and execution of NexGen Consultants' Delivery Team on our project is greatly appreciated.

Sincerely,

Kendall Perkins
Director of Marketing
