Dear Matt,

We recently completed our initial Salesforce.com implementation with NexGen Consultants. Our project was completed with accuracy and in a timely manner. As you know, our implementation project consisted of the following:

1. Data migration from Excel and Outlook
2. Outlook integration
3. Campaigns
4. Reporting
5. Salesforce1 mobile app
6. User Training

The training was thorough and very useful. Our project was a success and we look forward to a long relationship with NexGen. We are happy to recommend the services of NexGen Consultants as a Salesforce Implementation Partner.

Sincerely,
