

Dear Matt,

It is my pleasure to write to you and commend the work of NexGen Consultants. In particular, I want to point out the great work done by Nikki Smith. Nikki worked with us to successfully implement a complex Statement of Work solution using Conga Composer and Salesforce.com quotes. Nikki was especially knowledgeable in these areas.

In addition, we very much appreciated NexGen's flexibility in working through requirements in our highly customized Salesforce.com environment.

Your organization took the time to understand what was necessary to meet our requirements. We are happy to recommend NexGen Consultants to other companies needing a Salesforce.com partner.

Sincerely,

Debbie Herbers
