Matt Mountain
NexGen Consultants
Cincinnati, OH

Dear Matt,

It's with well-earned respect that I submit this recommendation letter for NexGen Consultants as a Salesforce implementation partner. We were fortunate to work with Doug Heilbrun and Elise Pottinger.

I contracted with NexGen to help me when I started Bayntree Wealth Advisors. Doug was excellent to work with. He was patient and took the time to truly understand my business and the end goals of the project. He handled my particular situation of leaving to start a new firm with utmost professionalism.

Elise added my client and prospect data into a newly configured Salesforce environment. She set up Salesforce Campaigns as well as installation of Box.com installation for document management. Her technical expertise, creativity, and problem-solving skills team are commendable.

We feel that we have found a true consulting partner in NexGen and we look forward to your continued support.

Sincerely,

Andrew Rafal
President
